to consider the Motion and the relief requested therein in accordance with 28 U.S.C. §§ 157 and 1334 and the Standing Order M-61 Referring to Bankruptcy Judges for the Southern District of New York of Any and All Proceedings Under Title 11, dated July 10, 1984 (Ward, Acting C.J.); and consideration of the Motion and the relief requested therein being a core proceeding pursuant to 28 U.S.C. § 157(b); and venue being proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409; and due and proper notice of the Motion having been provided to: (i) the Office of the United States Trustee for the Southern District of New York, (ii) the attorneys for the U.S. Treasury, (iii) the attorneys for EDC; (iv) the attorneys for the agent under GM's prepetition secured term loan agreement, (v) the attorneys for the agent under GM's prepetition amended and restated secured revolving credit agreement, (vi) the holders of the fifty largest unsecured claims against the Debtors (on a consolidated basis), (vii) the attorneys for the International Union, United Automobile, Aerospace and Agricultural Implement Workers of America, (viii) the attorneys for the International Union of Electronic, Electrical, Salaried, Machine and Furniture Workers—Communications Workers of America, (ix) the United States Department of Labor, (x) the attorneys for the National Automobile Dealers Association, (xi) the attorneys for the ad hoc bondholders committee and (xii) each of the banks listed on Exhibit A hereto (the "**Banks**") ((i)-(xii) collectively, the "**Notice Parties**"), and it appearing that no other or further notice need be provided; and a hearing having been held to consider the relief requested in the Motion on an interim basis (the "**Hearing**"); and the Court having entered an interim order (the "**Interim Order**") granting the relief requested in the Motion, pending a hearing (the "**Final Hearing**") to consider entry of an order granting the relief requested on a final basis; and it appearing that notice of the Final Hearing having been given in accordance with the terms and provisions of the Interim Order, including to the attorneys for the Official Committee of

Unsecured Creditors (the “**Committee**”), and that no other or further notice need be provided; and upon the record of the Hearing and the Final Hearing and all of the proceedings had before the Court; and the Court having found and determined that the relief sought in the Motion is necessary to avoid immediate and irreparable harm to the Debtors and their estates, as contemplated by Bankruptcy Rule 6003, and is in the best interests of the Debtors, their estates, creditors, and all parties in interest and that the legal and factual bases set forth in the Motion establish just cause for the relief granted herein; and after due deliberation and sufficient cause appearing therefor, it is

ORDERED that the Motion is granted on a final basis as provided herein; and it is further

ORDERED that the Debtors are authorized and empowered, pursuant to sections 105(a) and 363(c) of the Bankruptcy Code, to continue to manage their cash pursuant to the Cash Management System maintained by the Debtors prior to the Commencement Date; to collect, concentrate, and disburse cash in accordance with the Cash Management System, including intercompany funding; and to make ordinary course changes to their Cash Management System without further order of the Court and it is further

ORDERED that pursuant to section 105(a) of the Bankruptcy Code, each of the Banks is authorized and directed to continue to honor transfers as directed by the Debtors of funds among their Bank Accounts and to the Debtors; and it is further

ORDERED that the Debtors shall maintain accurate records of all transfers within the Cash Management System so that all postpetition transfers and transactions shall be adequately and promptly documented in, and readily ascertainable from, their books and records, to the same extent maintained by the Debtors prior to the Commencement Date; and it is further

ORDERED that the Debtors are authorized to: (i) designate, maintain and continue to use any or all of their existing Bank Accounts listed on Exhibit A annexed to the Motion, in the names and with the account numbers existing immediately prior to the Commencement Date, (ii) deposit funds in and withdraw funds from such accounts by all usual means including, without limitation, checks, wire transfers, automated clearinghouse transfers and other debits, (iii) pay any bank fees or charges associated with the Bank Accounts, and (iv) treat their prepetition Bank Accounts for all purposes as debtor in possession accounts; and it is further

ORDERED that except as otherwise provided in this Order, all financial institutions in which the Debtors maintain the Bank Accounts as of the Commencement Date are authorized and directed to continue to maintain, service, and administer such Bank Accounts without interruption and in the usual and ordinary course, and to receive, process, honor and pay any and all checks, drafts, wires, or other transfers by the holders or makers thereof, as the case may be; provided, however, that nothing contained herein shall (i) require a financial institution to honor any check, wire, or other transfer unless the account has good and collected funds at the time of the requested action or (ii) authorize any such financial institution to honor any check, draft, wire, or other transfer issued or dated prior to the Commencement Date, except as otherwise provided by further order of this Court; provided further, however, that any such financial institution is authorized to accept and honor all representations from the Debtors as to which check, ACH transfer, draft, wire, or other transfer drawn or issued by the Debtors prior to the Commencement Date should be honored pursuant to an order of this Court, and such bank shall not have any liability to any party for relying on such representation by the Debtors as

provided for herein, nor shall any Bank honoring or not honoring any check or other item as a result of good faith error be liable to any party therefor; and it is further

ORDERED that with respect to those Bank Accounts which are not located in Banks that are Authorized Bank Depositories and with respect to any of their investments, the Debtors shall have 45 days (or such additional time as the U.S. Trustee may agree to) from the entry of this Order (the “**Extension Period**”) to either come into compliance with section 345(b) of the Bankruptcy Code or to make such other arrangements as agreed with the U.S. Trustee; and it is further

ORDERED that with respect to any deposit or investment currently insured or guaranteed by the United States or by a department, agency, or instrumentality of the United States, upon the termination or modification of such insurance or guarantee, the Debtors shall either come into compliance with section 345(b) of the Bankruptcy Code or seek appropriate relief from the Court; and it is further

ORDERED, that nothing contained herein shall prevent the Debtors from opening any additional bank accounts, or closing any existing Bank Account(s) as they may deem necessary and appropriate, and the Banks and other financial institutions are directed to honor the Debtors’ request to open or close, as the case may be, such Bank Accounts or additional bank accounts; and it is further

ORDERED, that notwithstanding anything to the contrary contained in this Order, all rights of JPMorgan Chase Bank N.A. (“**JPMC**”), if any, to assert cash collateral and/or setoff rights with respect to amounts in one or more of the Debtors’ accounts as of the Commencement Date against prepetition obligations (the “**Obligations**”) of Debtors owed to JPMC as of the Commencement Date (the “**Commencement Date Balances**”) are expressly preserved. In the

event that it is determined by this Court that JPMC has such rights, then (i) JPMC shall have the right to seek leave of the Court to setoff an amount in the Debtors' accounts equivalent to the Commencement Date Balances, irrespective of whether such funds constitute prepetition or postpetition funds, and (ii) for purposes of this paragraph, the Commencement Date Balances shall constitute the cash collateral for which JPMC is entitled to adequate protection for any diminution of the Commencement Date Balances, which adequate protection shall be (i) with respect to setoffs relating to obligations under GM's prepetition revolving credit agreement dated as of July 20, 2006 (as amended, supplemented or otherwise modified), the same forms of protection provided under the Interim Cash Collateral Order covering the secured parties under such agreement and (ii) with respect to setoffs relating to all other obligations, including those arising under the Term Loan Agreement dated as of November 29, 2006 (as amended, supplemented or otherwise modified), the same forms of adequate protection provided under the Interim Term Loan Adequate Protection Order. The Debtors and the Committee reserve the right to object to and challenge any such assertion by JPMC. JPMC will not seek to assert cash collateral or setoff rights with respect to the Commencement Date Balances or otherwise seek to prevent the Debtors' use of any cash collateral so long as the Termination Date has not occurred under either of the orders referenced in this paragraph; and it is further

ORDERED, that nothing in this Order shall authorize the Debtors to use or otherwise impair cash collateral previously pledged by them as security for letters of credit, bonds and similar obligations owed by the Debtors to JPMC; and it is further

ORDERED that the automatic stay is hereby modified to authorize any Bank that has issued a letter of credit at the request of the Debtors, upon notice to the Debtors and upon receipt of written consent by the Debtors, to set off any cash deposits it is specifically holding as

collateral for such letter of credit against any amount paid by the bank to the beneficiary of the letter of credit upon postpetition draw of the letter of credit, subject to the terms of any agreement between the Debtors and the Bank relating to the letter of credit; *provided, however*, that the Bank agrees to return to the Debtors' estates, within three business days of such setoff, the excess of any cash deposits it is holding as collateral for all letters of credit it has issued at the request of the Debtors over the amount of collateral the Debtors are required to provide with respect to all outstanding letters of credit issued by the Bank at the request of the Debtors; and it is further

ORDERED, that without in any way limiting the effectiveness of any other provision contained in this Order, with respect to (i) any custodial, trust, investment management, securities lending or similar agreements to which the Debtors are parties, or (ii) any other custodial, trust or similar agreements with entities affiliated with the Debtors (including ERISA qualified plans) pursuant to which any of the Debtors are or may be otherwise involved in the administration or maintenance of such custodial, trust, investment management, securities lending or similar arrangements (such as, and without limitation, where any Debtor is a named fiduciary or otherwise is charged with authorizing, approving or directing actions under or in connection with such agreements) (the agreements referred to in clauses (i) and (ii) above, collectively, the "Custodial Agreements"), the Debtors and such third parties as are identified in any Custodial Agreements are hereby authorized to (A) continue to maintain, service, and administer all such Custodial Agreements, and all accounts established under or in connection with such Custodial Agreements (whether such accounts were created prior or subsequent to the Petition Date), (B) perform and honor their respective obligations in accordance with the terms of such Custodial Agreements, and (C) to execute all documents and take all such other actions

as are necessary or appropriate in connection therewith, all without further order of the Bankruptcy Court; and it is further

ORDERED that as soon as reasonably practicable, the Debtors shall mark “Debtors in Possession” and the chapter 11 case number under which these cases are being jointly administered on their checks; and it is further

ORDERED that, pursuant to section 364(a) of the Bankruptcy Code, the Debtors are authorized in connection with the ordinary course of their Cash Management System to obtain unsecured credit and incur unsecured debt in the ordinary course of business from their affiliates and third parties without notice and a hearing; and it is further

ORDERED, that to the extent a Bank in the ordinary course of the Cash Management System incurs an overdraft, failed securities transaction or other event giving rise to an uncovered debit, irrespective of whether arising pre or postpetition, such Bank shall be authorized to cover such overdraft, failed securities transaction or debit from funds of the Debtors in its possession and available for such purpose; and it is further

ORDERED that the Debtors are authorized to continue to use their Cash Management System and to fund Debtor and non-Debtor affiliates as they did prior to the Commencement Date; provided, however, that the Debtors shall provide to the Committee, in a format reasonably acceptable to the Committee, monthly postpetition intercompany activity and intercompany balances; and it is further

ORDERED that the Debtors are authorized to continue to honor and make payments in respect of prepetition and postpetition intercompany obligations to subsidiaries and affiliates (Debtor and non-Debtor) in accordance with their prepetition practices; provided, however, that subsequent to the closing of the 363 Transaction, the Debtors and the Committee

shall confer and seek to agree on whether any restrictions should be placed on further intercompany transfers to subsidiaries and affiliates, and in the absence of such an agreement, the matter shall be resolved by the Court; and it is further

ORDERED that the Debtors are authorized, but not directed, to pay prepetition amounts outstanding as of the Commencement Date, if any, owed to the Banks and other third parties that directly or indirectly provide services to the Debtors in connection with the Cash Management System as service charges for the maintenance of the Cash Management System; provided that no Bank shall be obligated to continue cash management services for the Debtors if the Debtors do not pay such prepetition and postpetition charges within five business days after receiving notice from a Bank that the Debtors have not paid such charges when due in the ordinary course; and it is further

ORDERED that the Debtors are hereby authorized to execute any additional documents and reasonably cooperate with the financial institutions as may be required to carry out the intent and purpose of this Order; and it is further

ORDERED that the Debtors are authorized to implement the Investment Guidelines and invest and deposit their cash and cash equivalents in accordance therewith in addition to the investments permitted by section 345 of the Bankruptcy Code; and it is further

ORDERED that the Investment Guidelines may be amended by order of the Court from time to time upon motion by the Debtors; and it is further

ORDERED that the Debtors' compliance with the Investment Guidelines shall be deemed to constitute compliance with section 345 of the Bankruptcy Code, and the Debtors are relieved from the obligations under section 345(b) to obtain a bond from any entity with which money is deposited or invested in accordance with the Investment Guidelines; and it is further

ORDERED that nothing contained in this Order or the Motion shall constitute a rejection or assumption by any of the Debtors of any executory contract or unexpired lease by virtue of reference to any such contract or lease in the Motion; and it is further

ORDERED that the requirements set forth in Bankruptcy Rule 6004(a) are hereby waived; and it is further

ORDERED that pursuant to Bankruptcy Rule 6004(h), the terms and provisions of this Order shall be immediately effective and enforceable upon its entry; and it is further

ORDERED that this Court shall retain jurisdiction to hear and determine all matters arising from or related to this Order.
